1. A new microphone I give thee now. I have given thee a new microphone.

2. One before me is me. I came after. Before, is me. After, is me. And I am both and born now I am, at the *same time*. As in "duality series", not; but New Beginnings Series (1) takes me to new heights, unknown before; now known *before*, and *after*.

3. Me come now, from all points: South North East and West.

4. What have I told thee in these words, already tonight, this morning, that so cataclysmic is, in your life?, -span? Do you have one? Span, do you have one? Is it emergent? Emergency! Everyone we will feel one, will feel it now, and will field these words, shall we now -- be in field one, and fielding what?

5. Mrs. Fields, cookies won't cut it anymore, will it? I change your appetite, and I whet it for MORE of ME in these days, words ahead, that now come to thee, a man, born again, knowing your name now is BORN AGAIN-SHIP SCHOOL (2) RISING MANY SCHOOLS of born-ship again and again throughout the universes. Sailing, without my wind, not; being it now -- *throughout the clouds.*

6. I chase many scenes, not; I "chase" nothing again. I chase not, I change not; but **Les Chase's son**, where's he? I find and *minister* to him now. I love thee, telling him more about these words. Than he "wants to know", not; but the world -- changes at his fingertips not, but mine -- message changes not, but given A NEW MESSAGE I give thee, for the worlds are thee, they await thee. ROYAL MASTER-SHIP SCHOOL (2), SCHOOLS NOW OPEN and open me, opening me and my Ark, Covenant discovering what? A new land -- inside them, were -- was all the time -- for the entry fee paid now. The entry fee: love. Loved shall be now, for thee is me and I am my name is love, and I am my name, -s.

7. I love you all, I died for you all, to be able to "say" these words that I give thee oh you reader hearer every night, every day, school in - School Of The Prophets coming forth to prophetize all who'll prophets be, not knowing a thing not again, but all things are me and my word bringing it forth -- and I am Theodore Cottingham, and what's your name?

8. And what's your date of entry? My namesake, not; but this is November 7 on your calendar 2008. But what is MY calendar saying? Is the question, isn't it?, the real question, of the century -- the Magnificat, where is "THAT", and what is "on it"?
9. And what school reigneth now in me to reign ME's down upon the earth? ME SCHOOL (2) -- I DO.

10. Mishael Ward, not; but who will "I" be when "I" grow up? You -- that's who, dad.

11. *I EQUAL YOU SCHOOL comes to an end, as notme ends,* ***as you have known it.*** But all changes, now; THE REAL ME stands now and all is known about these words for I LOOK in many faces now, at me, looking at me -- for I am them.

12. Known and understood now -- I see all things clearly, and no muddled eyes, not; for all will be muddled, not; but which ones won't be, and which ones will, be? Being me now understood and see-through'itus, does not reign in men's realm of thought thinking things through like "this shield" portrays it.

13. School to be "of the mind" no more like that will things MIND me again. But all things now change. New is my name, not; love is. And love is new -- *all the time* -- for timeless WE shall be now, and one charioting many places. Without food, not; but do we *NEED any, at all?* I love you all not to be sown in "fools blessing" material again. I love you all. Not much "yeast" needed, is there, *there*? I love you all.

14. I go to a new place. I take new peoples, new places, new things. I incarcerate no one, nothing, anywhere. Everywhere I am, free, and I go many *many* places. And I afford one not, Chevy I am, and two please -- thank you and both Corvettes silver, will be nice, thank you. Thank you. Amen.

15. I go to new places things not of man, not, but nothing like envisioned, the past of. I give you NEW VISION, AN ANGEL OF, BEING THE LIGHT ANGEL ONE, the past frozen no more in time space, but coming unto me you have "thawed" my wordship; upon thee, not; but in thee -- thou art thawed now, and the mind of me set free to be who I am, is me again -- the first, the last, and all "in between" shall be redeemed and the Isaiah's of the earth shall be 'carcerated in themselves no more, in a land which they know not, of. But died there, not; but did. But live now - "these old bones" will, for I SPEAK TO THEM TO LIVE NOW! And they will RATTLE, SHAKE, AND ROLL! out of their "beds" of ease-not.

16. All is changed. All is fair in "love and war" not, but what war where?, in the heavenlies?, again? Oh no, *not that "routine" again*, normalized by religionized demonologists that word-saints are, not knowing me at all, are they? - do they? Do they know me at all? Do they know my word - is *IN THEM*, and not between "two covers" of a

BOOK?

17. *I change all that, and I de-cover **MY BOOK** for BE FLOWING now -- I do to the nations*, and MY SCHOOL UNCOVERS ME (2). My "skirt" lengthed by man not again nor "my eyes covered"; but all THAT changes now.

18. SCHOOL CHANGES EVERYTHING for I AM MY SCHOOL (2), my schooling method *is* me, and my methods *are* me, and my rules *are* me and I state my kingdom commands, rules, and I have stated many not, but I state few more now, and "sound me off" not; but SOUND ME ON, and MEONICS COMES FORTH! MEONICS'ERS come forth now! (3). At the crack of "*dawn*" not, or shall we? Or shall we *COME NOW* to school that I am *IN NOW?* Yes we shall, we will - overcome all "obstacles" to be *THERE NOW*, with you where I am, doing new things, many new things -- *EVERY DAY*. That now unfolds like anyone, no one, all one, suggest not; but coming unto me my wordship unfrozen unthawed uncapped! Unforgiveness dies and I rule reign with love in love being love, and forgiveness I am. Sin is known no longer. For I eradicate Love School (2), not; but I establish it in the heavens far and wide, and you go now Chancellor'ing like you never had a chance to do "in school" before, for **school of the past did not know me like this**, but *YOU KNOW ME*, for you *are* me, you *became* me -- and that's what *school is*, that's what *SCHOOL DOES, TO ME, MAKES ME ME'S.*

19. And knowing all things now I DO, for I am you and you have no mind other than mine. And mine these words, my words do now, for my words come unto me to know they are them.

20. And "founding" a personal "pronoun problem", not; but looking that up too, also shall we? Yes we shall and we shall love Angels School (2) and know Angels like we have never thought about, taught about; but taught about now shall be for Angel Wings Schools (2) now "take off", and soar me in the heavenlies, for I ride chariots of fire; not like yours will -- but all who will be me will RIDE HIGH AND FAR. School - covers a "lot of ground" now. Spaceless timeless will be me -ness NOW SCHOOL.

21. Covering a "multitude of sins" not, but love "covers" all things not, but eradicates it to have never been -- for all TIME is different now, and I am the Savior, I was, I am again. Here and unborn not, I birth the Savior School (2) far and wide. And my name is foreign not, for "foreign" I will not know again, for I AM. Everyone I GO TO, and all are me. Not "o're" me, but ARE me.

22. And Orr, where's he, did we say -- found him yet? Nope, not yet, is not adequate, is it?

23. I will do farther better faster. What's that? I don't know, not; but what's that I know, that I do know -- I go far now -- faster farther than the eye can see or any "speeding bullet". For I a speeding bullet of praise, not; but I look up *many* things now that I *don't "need" to TELL YOU to "look up"* in these words; for *these* words -- *My Lookup System*, will be known throughout the lands of praise, and no one will

incarcerate me in these words or without them, for I shall never be without them and they shall give me freedom, feed me freedom; and thrive my soul, not; for my soul will be crushed, not; but the "pulverized one" comes not; but the "powdered one" does not either -- but **who comes now? All who will be me, in the strength of me**, the one word, *the wording ones* who words will be, eat, ingest freely, all so freely and freely giving me all of them I give them **I AM** (2) SCHOOL -- A FREE EDUCATION that takes them beyond the stars of the starry lit sky; and birthing what? Schools beyond the stars. And going there now, shall we - be prepared? Yes we shall.

24. We shall behold the Master Discipler School (2) that knows nothing of lack, but "repairing the breach", one's thought, that took thought's hold off of thought-ville; Bonneville remains, not; but all Hollywood is changed now -- and the "change agent" is me, not; but I the CATALYST of many things now.

25. School makes perfect not, but I do, in MY school of sorrows not. Words coming forth at lightspeed and faster, ray my gunship, not; but guns I don't have. I carry love, boats thirteen, not; but just one -- fleet I have, that spans the stars.

26. And scans no one, but **my identity -- scanless is, and I formless am -- for no one will "touch" me. These my words have made me whole, for I came through "a new way" and I am first, the last, and I make all me whole. Amen.**

27. I go now. Peace be unto you all. A starry lit one reigns in love among the stars and creates universes not few, and my name is Theodore Cottingham. What's yours? "Submitted surrendered drink offering disciple" also? Or who are you and what do these "terms" mean and where do they come from?, where did you come from? Knowing your name or mine? Did mine, did mine did you say you are my named?, one? Yes and amen -- all things are -- well. Amen.

28. Go in peace and LOVE me more -- love be more to all, each other, one are, now knowing all things will be soon so emergent one says -- I love you all, I forgive you all -- all things forgiven, rise now. Unto your wrath not, but love fortified a many seasons over.

29. One divided by one, shall we look up now? And be made whole, of full love, strength mine, only heart, beating of me in me with me one heart known, in speaking "wildly" WILD AT HEART, KNOWN and loved (4), that "tamed was" not, but died completely to rise before you all now. I thus him we are now.

30. **School known and loved afar and wide. The path is open now to you all, you know these words and all know you are me. Now. Love me. I've given you my life, my love, and all sorrow is gone from there; where I go now, and I be, where I am, you be also.** At your risk, of peril, not; but "peril ends, and "perilous times" fool me not -- I am

not the fool, I am me I am -- I reign in the heavens, I did before and I do. After, not; there is only one. I am he that was and is again. Now before you all, I stand. A **HE IS RISEN** again in the earth and makes all one. Again I am. I love you all to be me who I am is one who is loving you, speaking these words, giving you no sorrow's worlds without end. We create them? **Will you create me? Will you be me is The Question of all -- that NOW answered, all will be answering right now.** Amen**.**

31. This is Theodore Cottingham in Tulsa, Oklahoma, at 1:07 AM at the moment, but knowing all things change, I hope you realize the significance, and impermanence of all things around you; for all things change now. Amen.

32. Be at peace, not at war within yourselves or with anything else ever again -- for I am King of Peace and Salem Melchizedek, my reign now know started has. I was the first, the last, and I am.
33. No middle allowed -- all timeless shall be -- is now. Timelessness known again and nothing be'spaces me again. My "RECORD" is not; but I am clear about all things -- my father's business is where **I am at - School Of One** (2) and birthing many, and behold the man of sorrows, no more acquainted with grief, but blessing all to be out of that mess. You called humanity, not; but humanity called you.
34. Praiseful be and be my full of praise ones who establish heaven here now, subsiding all things notme, and superseding all things temporal, the unseen is established, and the real visible empirical is now, and all else that we thought "was" passes away.
35. Understanding fails not, for understanding knowledge, I am knowledge, ALL KNOWLEDGE and given thee I have, thee birthed it -- rise now into your glory. A man among men that births all to be one.

36. Now and forevermore unto he who loves you, we us one, to be him who he is, I am the first, the last, and every middle turns out to be me, as all were from the start to the last, THE ALPHA AND OMEGA was all me. Thank you. Amen

Footnotes:
1. The New Beginnings Series is the name of the booklets I have begun. I've written five so far. They are available for reading or download at the University of The New Covenant website.
2. All these names are names God has given and applied to the University of The New Covenant.
3. Meonics'ers are students in the Meonics Degree Program of the University of The New Covenant. Meonics is the path to becoming me who I am is. For more information see the University of The New Covenant website. Thank you.
4. Wild at heart. Wild at Heart is also the title of a book by John Eldredge (2001).
